SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Level 3	Normal Operations	Normal Operations

Cal OES INLAND REGION

2019 March Storms

An atmospheric river impacted California 03/05/19 through 03/07/19.

Activations

Inland Region

- Inland Region Emergency Operations Center (EOC) is activated at Level 3 / Duty Officer status.
- Colusa County EOC is activated at Level 3
 - A Shift: 0800-1700 hours
 - B Shift: Duty Officer

Southern Region

- San Bernardino County EOC is activated at level 3. (Deactivated as of 1400 hours 03/12/19).

Proclamations

- On 03/13/19 at 0916 hours, a Proclamation was received from the City of Sonora, Tuolumne County due to the winter storms. The city is currently not requesting any assistance.
- On 03/12/19 at 0909 hours, a ratified Proclamation was received from the County of Colusa due to the winter storms. The County is requesting CDAA, Governor and Presidential Declaration.

Cal OES COASTAL REGION

On 03/12/19 – 03/13/19 Santa Clara County is activating their EOC to support Hospital Department Operations Centers (DOCs), who are activating for a planned labor action event. Santa Clara County has no unmet needs or resource requests at this time.

Activations

- Santa Clara County EOC activated at Level 2
 - A Shift: 0500-1800
 - B Shift: 1800-0700

Cal OES SOUTHERN REGION

- Nothing significant to report.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 1	Preparedness Level 1	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

- No significant activity to report.

CALIFORNIA 911 SYSTEM

CA 911 Outages		
Northern California	Central California	Southern California
911 Outage	No 911 Outages	911 Outage

911 Outages/Remote/Community Isolations:

911 Outage, San Diego, San Diego County (New/Final)

On 03/12/19 at 1250 hours, the CA 911 Branch reported a Verizon Wireless Intermittent outage affecting incoming 911 calls to PSAPs in San Diego Area/Southern California.

- San Diego PSAPs reported to Verizon Wireless on/about 03/07/19 0800 hours, they had been receiving Intermittently for the prior two weeks, some 911 calls from Verizon Wireless that the audio only worked between the caller to the PSAP.
- The outage began on 02/21/19 at 0000 hours.
- The outage was cleared on 03/12/19 at 1030 hours.
- The outage was due to Trunking Gateway Failure.
- Wireless 9-1-1 Calls were impacted for Verizon Wireless only.

Commercial Power Outage, Idyllwild, Riverside County

On 03/07/19 at 0630 hours, the CA 911 Branch reported a 911 outage at Hwy. 243 and Rockmere Rd. in Idyllwild, Riverside County. Palm Springs PD is the PSAP covering that area and is aware of the situation.

As of 03/12/19 at 1836 hours:

- The repair crew was unable to complete the repair after gaining access to the area and the cable maintenance and excavation crews were unable to locate the fault in the buried cable section again today.
- Due to the location the State requires the Cable be located and any additional underground services located before excavating can begin.
- The Ground is frozen which is hindering locating the damage and hinders excavations.
- No estimated time of repair at this time.
- 28 Landlines are impacted
- The outage is due to a commercial power outage and no access due to snow and ice.
- Updates will be provided as new information is received.

CALIFORNIA 911 SYSTEM

Service Interruptions:

Major Automatic Location Information (ALI) Outage, Northern California (NEW / FINAL)

On 03/12/19 at 2356 hours, the CA 911 Branch reported a Greater San Francisco area from North of Monterey to South of Ukiah and West of Fairfield to the SF Bay are experiencing an high level dual ALI outage effecting 35 or more PSAPs ability to receive Automatic Location Information data from 911 callers.

- The problem has been isolated to a Level 2 Frame Relay issue
- There is no impact to wireless or wireline calls.
- This affects the PSAPs ability to determine the Callers Address or location.
- The resolution to the issue was re-provisioning of the trunk configuration.
- Time of restoration 0342 hours on 03/13/19

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- There is no weather of concern.

SOUTHERN CALIFORNIA

- There is no weather of concern.

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-58652, 03/11/19, 0815 hours:** Mendocino Sheriff requested a cadaver dog for a law enforcement sensitive search in the Covelo area. Mission scheduled for 03/12/19 at 1100 hours. **UPDATE: 03/13/19:** Searches on 3/12 revealed an area of interest, but not an actual find. A different dog will deploy on 3/13 in an effort to confirm the findings. **Mission On Going**
- **2019-LAW-58514, 03/05/19, 1604 hours:** Mono County Sheriff's Office requested assistance with a Search and Rescue (SAR). A 24 year old active duty Marine left on 02/25/19, alone, from Onion Valley in Inyo County to cross country ski the High Sierra Route which is 195 miles long and runs through several counties. His friend was to pick him up 03/04/19 or 03/05/19 near Bridgeport. He did not show up and has had no contact with anyone. The Air Force Rescue Coordination Center (AFRCC) was not able to run cellular phone forensics as his phone has been turned off since 02/25/19. Aerial searches will begin once the winter storm breaks. **UPDATE: 03/09/19,** National Guard continuing to evaluate the weather to determine when an aerial search would be feasible. Request for a helicopter with NVG capabilities for a night time search still pending. National Guard also has a search airplane on standby by waiting for appropriate weather. National Guard has deployed a liaison officer to the incident for on scene coordination. **UPDATE: 03/11/19:** As a result of better weather, the National Guard was able to deploy a helicopter and an airplane for searches on 03/10/19. The Marine Corp agreed to deploy 2 helicopters from Camp Pendleton for night time searches. The National Guard will also deploy a helicopter on 03/11/19 to insert a search and rescue team on skis into remote areas for additional searches. **UPDATE: 03/12/19:** Weather has hampered search efforts. National Guard and Marine Corp helicopters flying missions as weather permits. **UPDATE: 03/13/19:** Searching continues. Sequoia Kings Canyon National Park requested Type 1 Alpine SAR personnel for overnight missions in remote areas of the Park. Fresno, Tulare and San Mateo County provided personnel for a 72 hour mission. **MISSION ON-GOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-CREOC-58434:** Request for two DTSC Hazmat Teams to remove Household Hazardous Waste (HHW) from right of way and private property (On Scene)
- **2019-SOC-58334:** Sonoma County requested Cell on Wheels (COW) (On Scene)
- **2019-SOC-58316:** Requested one Type 1 Hand Crew to assist with debris clearance for Sonoma County; one Agency Rep remains assigned. (On Scene)
- **2019-FIRE-58284:** Request for Helo Water/Rescue Support for Sonoma County (On Scene)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
- **2019-SOC-57736:** Requesting 1 or 2 Caltrans engineers that specialize in bridges and structures to assess bridges and structural walls, basements, for the debris removal mission in Butte County. (Coordinating)
- **2018-SOC-57391:** Caltrans will be providing support at various locations, prepare traffic assessments for impact from debris removal and road maintenance operations. (On Scene)
- **2018-SOUTHERN-56869:** Daily Operations - Communication Support for the Baker to Vegas Challenge Cup Relay XXXIV
- **2018-IREOC-49869:** 2018 July Statewide Wildfires - Debris Management Task Force for Shasta County. (On Scene)
- **2018-CREOC-48046:** 2018-06-23-Lake-Wildland Fire - DTSC to clear debris from Pawnee Fire. (Coordinating)
- **2018-IREOC-45244:** Daily Operations - Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene - Long-term assignment)
- **2017-INLAND-42559:** Daily Operations - Weather station installed to gather real time rainfall data by Air Resources Control Board (ARB). Mission extended through 05/30/19. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
